TOWING • RECOVERY OPERATIONS

READY. RESPOND. RECOVER.

24/7 DISPATCH: 850-797-8408

CAPABILITY STATEMENT

COMPANY OVERVIEW

Flamingo Towing South Corp is a Florida-based towing, recovery, and disaster logistics company specializing in large-scale, multi-state emergency response and catastrophe deployments. Our team brings extensive experience in disaster recovery efforts across the United States, supporting prime contractors, federal agencies, emergency management organizations, and disaster response firms.

We maintain a company-owned fleet, mobile mechanic support, housing resources, and surge-capacity partnerships that allow us to mobilize quickly and operate effectively in the most demanding environments.

CORE CAPABILITIES

- Emergency towing, debris removal and recovery operations
- Disaster logistics and fleet coordination
- Heavy hauling and rollback transport
- Rapid nationwide fleet mobilization (24-48 hours)
- On-site maintenance and repair
- Field supervision and deployment management
- Housing support for extended deployments
- Self-sustained field operations

FLEET & RESOURCES

- 25 company-owned units including wreckers, light-duty and medium-duty rollbacks, industrial units, and heavy-duty recovery trucks
- Fully equipped mobile mechanic service truck for on-site maintenance and repairs
- 80+ subcontracted rollbacks and heavy hauling units available for surge capacity
- Bunkhouse housing support for crews

DEPLOYMENT READINESS

- Mobilization within 24-48 hours
- Rapid scaling capability
- Self-sustained field operations
- Housing support for deployed personnel
- Mobile mechanic support available
- Operations designed to support both localized events and multi-state catastrophe response

OPERATING LOCATIONS

- Florida: South Florida, Central Florida & Panhandle
- Alabama
- Nationwide deployment capability
